What is ReStore Spaces?
Join us for the fifth annual ReStore Spaces to benefit Manatee County Habitat for Humanity. ReStore Spaces is designed to showcase Manatee Habitat ReStores and to build awareness of what Habitat has to offer in our ReStores that raises money for affordable housing in Manatee County. Teams will create rooms utilizing donated items, which will be refurbished and repurposed, from the Habitat ReStore. The rooms will highlight the endless possibilities that the ReStore has to offer. Join us for this unique, creative and exciting event!

What happens at the May 15th Reveal Party?
Tickets are $50 each and include unlimited food, beer and wine, a silent auction and 50/50 raffle. You also can cast your vote for your favorite room PLUS the opportunity to purchase any item in the rooms! Team Awards will be presented in the following categories: Community Choice – the winner of the online voting; People’s Choice – the winner of the most votes by people attending the event; the Golden Hammer Award – winners determined by select judges; Best Pallet Award – given to the team that uses a wood pallet in the most creative way; ReStore Choice – awarded to the room that has the most repurposed items in it; Most Colorful; and Best Use of Theme.

How can my team participate?
If you would like to showcase your ingenuity and creativity to reinvent thrift store items into chic originals and help raise money for Manatee Habitat to build affordable housing, all you have to do is fill out an application and attend an informational meeting on February 18th from 5:30-6:30 p.m. at the ReStore on SR 70. Applications will be available soon at the ReStore and online at www.manateehabitat.org.

For more information, contact Karen McElroy at kmcelroy@manateehabitat.org.
What is the ReStore Spaces?
ReStore Spaces is a fundraiser designed to showcase Manatee County Habitat for Humanity’s thrift stores, called ReStores, and build awareness of what the Habitat ReStores have to offer. It also showcases the talented community members who join the design team challenge and compete with other teams to earn votes for their “Space” and raise money for Habitat to build affordable housing in Manatee County. Teams use their ingenuity and creativity to create rooms utilizing donated items in the Habitat ReStore and display their final designed Space at the ReStore Spaces Reveal Party. Your organization will receive lots of exposure before and during the event in print and social media as the Teams reveal small clues to their design to gain online votes.
